ABSTRACT OF THE ACTIVITIES

The District Disaster Management Authority, Cachar in the past one year i.e., in the year 2019 has indulged itself into various innovative activities. DDMA, Cachar has completed various preparedness activities, response-rescue operations, relief & rehabilitation measures, mitigation works and other DRR/ welfare activities. DDMA, Cachar with the help of Circle Disaster Management Committees (CDMC) of all Revenue Circles and line Departments of the District has been able to reach people at community level and are able to work at the ground level. This report is a detailed summary of all the activities undertaken by DDMA, Cachar, either solely by the authority or collaboratively with other Departments/Organizations/NGOs etc. All throughout the year there has been various activities that have motivated DDMA to work in a precise way and incorporate various innovative changes. DDMA Cachar has been successful enough to focus and touch almost every single aspect where the possibility of disaster is prominent or profound. DDMA has also engaged itself in celebrating each day of the calendar year 2019 which holds national importance. DDMA, Cachar has worked with different NGOs/CBOs/Civil Society Organizations and other organizations, with who work has been done collaboratively to reach community people in large number. Through the various activities DDMA has been able to create a secured identity and now people look up to them with confidence that there is a place where they can seek help from during any sort of "disaster". The report gives a detail insight into the overall functionalities of DDMA, Cachar in the Calendar year 2019.

"Disasters cannot be totally prevented, but their impact can be reduced by moving towards a pre-defined direction"

MOCK DRILLS

A mock drill is a practice or a trial warning by an institution or an organization, acting as a disaster has happened in that place, mock drill are considered as an integrated part of disaster preparedness. Mock Drill prepares the person to face the hazard both mentally and physically. A perfect plan is obeyed and carried out so that each and every person in the infrastructure is safely evacuated. This helps to practically face the disaster and be ready for it in advance. Mock drills are helpful in a number of ways. Mock Drill helps to achieve accuracy for saving lives and property and help to make Response more cost effective and also minimize response time. The drill even helps to create trained manpower to respond professionally to disasters. Mock Drills are also important as the Awareness generation through the conduct of Mock Drills leads to acceptance by the community. This also helps to evaluate suitability/ practicability of the DM Plan and also to get acquainted with the roles and responsibilities that have been earmarked for all functionaries.

The Mock Drills that has been conducted by DDMA, Cachar in the year 2019 are as follows:-

| Sl No | Venue & Details | Date |
|-------|---|---------------------|
| 1. | Mock Drill cum DM Awareness Program at Kalain CHC | 16th January, 2019 |
| 2. | Mock drill at Dr. S. Radhakrishnan Memorial School, Bariknagar under Katigorah Revenue Circle | 19th February, 2019 |
| 3. | Mock exercise at Bihara Railway Station under ARM, BDP where a situation was given where a train derailed. | 9th April, 2019 |
| 4. | An emergency response drill was conducted at Borkhola LPG bottling plant of IOCL to check the emergency preparedness of the plant | 31st January, 2019 |
| 5. | An off-site mock drill was jointly conducted by IOCL LPG bottling plant DDMA Cachar at IOCL Bottling plant, Borkhola. | 31st July, 2019 |

All these Mock Drills were jointly conducted by DDMA, NDRF, SDRF, and F&ESS & Police. These drills were conducted with a motive to strengthen the people to face any sort of disaster.

TRAINING & CAPACITY BUILDING

Capacity building (or capacity development) is the process by which individuals and organizations obtain, improve, and retain the skills, knowledge, tools, equipment and other resources needed to do their jobs competently or to a greater capacity and training is the action of undertaking a course of exercise for a sporting instance. Here in Disaster Management these are of immense importance and they help in increasing our human resource aspect in dealing with any sort of disaster.

In 2019, DDMA Cachar has undertaken various training and capacity building programs. The details of these are as follows:-

| Sl No | Details | Date |
|-------|--|-------------------|

| 6. | Awareness program cum fire demonstration at Subhash Nagar, Silchar - Agranee Club | 24th January, 2019 |

SCHOOL SAFETY INITIATIVES

Each time a disaster occurs, masses of children are excluded from school and many never return. Past experiences and the available evidences show that education sector is among the hardest hit along with other sectors in the event of disasters. Cases like fire accidents, threats to road injury or accidents and stampede are the human made hazards which make schools more vulnerable. Schools located in the urban and rural areas do have different set of vulnerabilities as the nature of hazards and potential threats are different.

There is one common threat between urban and rural schools which is lack of culture of safety in schools to have minimum standards/measures to protect students and teachers from any natural or human made hazard, learning materials and property. Culture of safety in school's capture issues like child's right, education and DRR policies, institutions, governance, resource allocation, disaster preparedness and family inclusion within the framework of internal and external environment of the school to reduce the impact of any possible threats to children.

The framework of culture of safety in school moves around child's right to uninterrupted continuous education, child's right for safe environment and disaster risk reduction. The concept of school safety in its current form includes safety issues both inside and outside the school. It includes issues of child protection and safety that look at all forms of violence and deprivation that affect the physical and mental well-being of children. School Safety is a concept that encompasses "the creation of safe environments for child restarting from their homes to their schools and back.

The year 2019 was dedicated to Child Centric DRR and here with connection to this many School Safety Initiatives have been undertaken. One such initiative is the AMRUT City Program. Here this program would be conducted in a total of 162 schools in four different phases. Out of these four phases, two phases has already been completed. The various schools were awareness programs under this head were conducted by DDMA, Cachar in the School level in the year 2019 are as follows:-

| Sl. No | Mock Drill Date | Name of Schools where Mock Drills have been conducted | Category of School (Govt/Private/Govt. Aided etc) | Total No of Participants in the programme | Programme conducted by |

|---------------------|------------------------|--------------------------------|--------------------------------|
| 1. | 01 | Cachar | 09.07.2019 |
| 2. | 02 | Dima Hasao & Karimganj | 03.08.2019 |
| 3. | 03 | Dima Hasao & Karimganj | 19.08.2019 |
| 4. | 04 | Hailakandi & Karbi Anglong | 02.09.2019 |

REPUBLIC DAY

A District level program was organized by DDMA, Cachar in the occasion of Republic Day, where Mock Drill & Fire Safety Drills were conducted in association with NDRF, SDRF, Fire Service Station and local NGOs.

INDEPENDENCE DAY

In and around the occasion of Independence Day, various Disasters related programs were organised in each of the Revenue Circles. Mock Drill & Fire Safety drills were conducted in association with NDRF, SDRF, Fire Service Station and local NGOs following the occasion of Independence Day.

WORLD ENVIRONMENT DAY

On the occasion of World environment Day a stall was set up by DDMA Cachar focusing on the importance on reduction of Single Use Plastic. Here apart from this do's and don'ts related to various disaster were also showcased by banners and related leaflets were also distributed. The stall was visited and appreciated by Hon'ble CM of Assam, Shri Sarbananda Sonowal.

PEER GROUPS TRAINING ON DISASTER SAFETY TECHNIQUES UNDER NSSP

As per the direction of ASDMA under National Students Safety Policy (NSSP) 3-days Peer groups training on Disaster Safety Techniques was organized by District Disaster Management Authority, Cachar with the help of Civil Defense Team. The program was held on & from dated 5th Aug 2019, where innovative safety techniques were taught to all the participants, mainly students were targeted in this training program as they can play the key role in spreading awareness to all about precautions at time of disaster or any emergency situation they can deal with all humanitarian aspects In particular emergencies, preparedness, response and recovery in order to lessen the impact of disasters. The Main mission behind the training was to make students aware of different kinds of Disaster be it Man Made or Natural & the techniques which should be implemented in order to save lives during the time of Disaster. Usage of different kinds of safety Equipments were also shown during the training session. The students participated actively during the training session & on completion of the training. Certificates were given to the candidates who participated. The details of this training Revenue Circle wise is as following-

| Sl No | Name of Revenue Circle | Date |
|-------|------------------------------|---|
| 1. | Silchar Sadar Revenue Circle | 5 th Aug 2019- 7 th Aug 2019 |
| 2. | Katigorah Revenue Circle | 5 th Aug 2019- 7 th Aug 2019 |
| 3. | Lakhipur Revenue Circle | 8 th Aug 2019-10 th August 2019 |
| 4. | Sonai Revenue Circle | 8 th Aug 2019-10 th August 2019 |

GREAT ASSAM SCHOOL SHAKEOUT PROGRAM-

The Great Assam School Shakeout was one of the widespread flagship activity of ASDMA which was conducted in collaboration with DDMA, Cachar. Here in Cachar District 100 schools were selected and under same program was conducted all together in all these schools. The event included a drill where an imaginary earthquake situation was created & the students & staffs of the concerned schools were to protect themselves with drop cover hold exercise from any kind of injury because of the imaginary destruction caused by the earthquake. This earthquake situation was sketched at 11am on 17th August, 2019. Here all the 15 schools performed drop cover hold and post that the students & teachers who participated in the event assembled in the emergency assembly point and then the safety check of students was done. There was one or two exhibition venue in each Revenue Circle. All other schools also actively participated in this exhibition, community participation was also seen there and the overall event was a successful one.

Prior to this event Circle Wise Co-ordination meeting was organised and details are as following-

| Sl No | Name of Revenue Circle | Education Block | Date of meeting | Venue |
|-------|------------------------------|-------------------------------|-------------------|---|
| 1 | Udharbond Revenue Circle | Udharbond Education Block | 13th August,2019 | B.E.E.O Office, Udharbond |
| 2 | Silchar Sadar Revenue Circle | Silchar Urban Education Block | 13th August,2019 | Circuit House, Silchar |
| | | Salchapra | 13th August, 2019 | B.E.E.O Office, Salchapra |
| 3 | Sonai Revenue Circle | Sonai Education Block | 9th August,2019 | B.E.E.O Office, Sonai |
| | | Narsingpur Education Block | 10th August,2019 | B.E.E.O Office, Narsingpur |
| 4 | Lakhipur Revenue Circle | Rajabazar Education Block | 7th August, 2019 | Conference hall, Lakhipur Municipal Board |
| | | Lakhipur Education Block | 9th August, 2019 | Conference hall, Lakhipur Municipal Board |
| 5 | Katigorah Revenue Circle | Katigorah Education Block | 9th August, 2019 | B.E.E.O Office, Katigorah |

The Co-ordination meeting was conducted in the presence of concerned B.E.E.O along with CRCCs, all head-teachers of the participating schools by concerned Field Officer(Disaster Management) of that particular Revenue Circle. In the meeting all about the drill was discussed in detail and necessary formats of reporting, action plan, guidelines, etc were handed over to respective school head-teachers.

A whatsapp group was also immediately formed after the meeting, so that constant monitoring and reporting of work can be done. In this meeting a discussion was also held on the importance of such drills and teachers were advised to perform drop-cover-hold as an integral activity of their school curriculum from time to time, so as to remain better prepared. They were also instructed to permanently construct a board/signage in open area of their school and name it as Emergency Assembly Point so that the students get a fair idea of what needs to be done if such havoc occurs. For each of the revenue Circle different venues were selected and each of the activities were performed there on.

- a) First Aid Practices performed by Students & Teachers
- b) Drop Cover Hold Exercise performed by Students & Teachers
- c) Formation of Stretchers by local Innovative resources by Students
- d) Formation of Disaster Safety Task Force.

Details of venue Education Block wise is as following-

| Sl No | Education Block | Exhibition Venue |
|-------|--------------------------------------|--|
| 1 | Udharbond Education Block | Practicing Govt. Senior Basic School |
| 2 | Salchapra Block Education Block | Zilkadar Ali High School, Balighat |
| 3 | Silchar Urban Education Block | Borakhai High School , Fakirtila |
| 4 | Kalain Education Block | Siddheswar Higher Secondary School. Kalain Higher Secondary School. |
| 5 | Sonai education Block | NityoGopal H.S. School |
| 6 | Narsingpur education block | B.N.M.P. H.S. School |
| 7 | Lakhipur & Rajabazar Education Block | Earle Higher Secondary School |

The exhibition was a joint effort of DDMA, Cachar and Fire Station of respective revenue circles. Here all equipments, banners and other items related to disaster management were displayed at the exhibition venue. A demonstration about various items displayed was also undertaken by Fire Station In-charge with his team about the usage of those equipments to the students staffs & others coming from the schools who participated in the said event .

TRAINING ON SCHOOL FOCAL POINT TEACHERS ON FIRST AID AND LIFE SAVING SKILLS UNDER CACHAR DISTRICT

As per the direction of ASDMA 2days Training On School Focal Point Teachers On First Aid And Life Saving Skills was organized by District Disaster Management Authority, Cachar with the help of Indian Red Cross Society, where they worked as Resource Persons for this training. This program was organized with the help of BEEOs of concerned Educational Block where various aspects were looked after by them. AN INNOVATIVE AWARENESS- E CALENDAR

DDMA in the closing end of year 2019 again continued with its previous years innovative idea of e-calendar for the year 2019. The calendar was also a tool of spreading awareness. The theme of the calendar this year focussed on Earthquake safety and Flash Flood . The DDMA, Cachar will continue to prepare such calendar for upcoming years also, but each year the theme and the aim will be changed basing on the need of the hour.

Annual reports are prepared on the basis of the efforts taken by the District Disaster Management Authority, Cachar from preparedness to relief and rehabilitation in Cachar District for the year 2019.
